

BEHAVIORAL HEALTH
ALLIANCE OF MONTANA

Platform for 2021 Session

- Develop a Children's System of Care and Continuum of Care in partnership with providers and the state.
- Continue to develop an Adult Continuum of Care in partnership with providers and the state.
- Develop legislation for revenue bills to provide sustainable funding for behavioral health.
- Develop cooperative strategy to defend Medicaid Expansion during 2021 Legislation if needed.
- Continue work towards state approval of Certified Community Behavioral Health Centers (CCBHCs) to create a level reimbursement for behavioral health.
- Support bills aimed at continuing expansion of telehealth services post-Pandemic for in-state providers.
