## ***PAIN AND ADDICTION: APPLIED SKILLS WORKSHOP***

This live workshop is designed to increase learners' skills in treating pain and addiction. The workshop will be a dynamic and interactive opportunity for those who have some experience in pain and addiction to apply essential treatment skills to their practice. Attendees should be ready to engage in dialogue with expert faculty and peers. Presented by the American Society of Addiction Medicine: Dr. Greg Rudolf, and Dr. Aram Mardian. Full agenda is available on registration page.

Thursday August 17, 1:00 PM – 5:00 PM  
Friday August 18, 8:00 AM – 12:15 PM  
CME, CNE, CEU available
